

St Matthew's Cornubia Parent Engagement Evening

On behalf of the St Matthew's P&F you are invited to attend this Parent evening with renowned Child and Adolescent Psychiatrist, Dr Kaylene Henderson

Dr Kaylene Henderson (MBBS (Qld) FRANZCP Cert C&A Psych) is a medically trained Child & Adolescent Psychiatrist, parenting specialist and one of Australia's most trusted experts, supporting all who live, love and work with 0-12 year-old children. She's also a grateful mother of three awesome kids.

Known for her ability to translate evidence into practical strategies, along with her warm and relatable style, Dr Kaylene is passionate about sharing research-based, 'doable' approaches with parents and educators alike through her popular online resources, conference and webinar presentations, articles and media contributions.

Dedicating her career to supporting those who make the biggest difference in children's lives (spoiler alert: that's you!), she hopes that together we can bring out the best in the children for whom we all care.
